Calling all Ushers and Greeters for the 11:00 Family Service!

Laura Hemenway is updating the lists that have been used in the past to let people know when it is their turn to serve as ushers and greeters.

Each week we need to have at least 4 ushers and 3 greeters ready to serve by 10:30 for 11:00 service. The goal is to have enough people on the lists so that people will only need to commit to coming early for one or two months each year. It would be super helpful if you could give Laura Hemenway a call or send an email to

laura.hemenway@firstmethodisthurton.org, to let her know what months you can serve. Anyone who has been an usher or greeter before and is physically able is needed to respond to this call- as well as lots of people new to this ministry. Our church feels so much more welcoming when we have people ready to greet people as they come in the doors and handing them a bulletin with a smile on our faces! It's easy and fun to do and besides arriving a little early, we are here anyway!
